## **WINE OF THE WEEK**

### **2002 Nickel & Nickel John C. Sullenger Vineyards Cabernet Sauvignon**

- **Aroma:** Offered dark fruit, menthol, tobacco, ash, bell pepper and oak.
- **Palate:** A big wine, more tannic than the others. Mouth drying, it had good fruit and acids.
- **Verdict:** Our favorite in the tastings, it needs years to reach its peak. If drinking now, decant for an hour before serving.
