Today's Featured Wine

**Nickel & Nickel, Oakville
(Napa Valley, California)
Cabernet Sauvignon
Martin Stelling Vineyard 2005**

The most powerful and complex of all the Nickel & Nickel Cabernets, the Martin Stelling Vineyard nevertheless delivers the signature characteristic of Nickel & Nickel: balance, elegance and finesse. This extraordinary Cabernet exhibits remarkable depth and complexity, with layered black and red fruits, supported by round, ripe tannins and firm acidity, with impressive length and a socko finish. Certainly one of the finest California Cabernets I've tasted over the past 25 years. I also believe it is the finest wine ever produced by the Nickel & Nickel team.
